## | 3-SEASON ROOMS

Never compromise with the weather again. Enjoy a fully weather sealed space with the flexibility of full ventilation.

### INDUSTRIAL STRENGTH

Industrial strength structural aluminum is used on our framing extrusions to ensure the most dependable and sturdy structures on the market. Suncoast 3-Season rooms are designed and engineered to last.

### YEAR ROUND USAGE

Every Suncoast 3-Season Room has the ability to be used for most of year when paired with heating options. 100 percent wind block allows the space to retain a majority of the heat added.

## FLEXIBILITY

Suncoast 3-Season Rooms allow you to take charge of your outdoor space. Do you want more air flow in your space? Simply open the desired windows to allow a free flow of air all while keeping out any bugs or other potential pests.

## CUSTOMIZATION

Suncoast 3-Season Rooms are designed to be accessorized! Auxiliary beams and conduit spaces can be added for mounting and wiring of just about anything. Heaters, lights, fans and AV components are common additions made to enhance the space and further increase the amount of time you can fully utilize the area.

## Heaters

With a variety of options from quality manufactures such as Infratech and Bromic you are able to choose the correct heater to suit your style and needs. Choose from power outputs ranging 1400-6000W.

Heaters are available in 120V and 240v options. Additional products are available from Infratech and Bromic.

## Lighting

Suncoast louvers are designed with a light track integrated into the gutter system for LED string lights to create an ambient feel.

Pot lights, pendants, mounted fixtures or Gemstone Lights can also be added.

## Sensors

Rain and wind sensors can be built into the control system of the louvered roofs and retractables. Open and close functions are automated to perform even when you are not around to close everything up in high winds or rain.

Rain and wind sensors can be built in to automate your louver and retractables system. Close the blades and lower the screens as soon as the first few drops land.

## Smart Home Automation

Suncoast products are designed to be compatible with smart home and automation systems. Use the app to control you screens and louvers from anywhere or take advantage of voice activation through Google or Alexa.
